

# Save The Date!

## 2nd Biennial Inclusive Excellence Statewide Summit

April 20, 2012

### SERESC Conference Center - Bedford, NH

**Keynote speaker: Dr. Freeman Hrabowski, President**  
**University of Maryland-Baltimore County**

President Hrabowski's research and publications focus on science and math education, with special emphasis on minority participation and performance. He chaired the National Academies committee that recently produced the report "Expanding Underrepresented Minority Participation: America's Science and Technology Talent at the Crossroads". In 2009 Time magazine named him one of America's *10 Best College Presidents*. President Hrabowski was also featured on "60 Minutes" In November 2011, to watch the inspiring interview, please [click here!](#)

### Summit Goals:

- **Continue** the platform for biennial summits to promote statewide strategic education and action
- **Share** the New Hampshire Higher Education and Community Strategic Guide
- **Create** new networks and solidify existing networks for collaborations
- **Build** linkages to promote the diversity of perspectives, cultures, experiences, and ideas
- **Unearth** strategies for advancing Science, Technology, Engineering & Mathematics throughout the state

### Who should attend?

- Administrators, faculty, staff, and students of New Hampshire colleges and universities
- Business leaders involved in advancing learning in a global society
- Community leaders and advocacy groups focused on increasing educational access and participation.
