PRESIDENTS' COMMUNITY PARTNER AWARD

Salem Olympic Devils
(Salem Area Special Needs)
Great Bay Community College

Salem Olympic Devils provides adaptive recreational programs for local children and adults. Athletes compete in local and regional competitions in a variety of sports and leisure activities. Great Bay Community College students in the Teacher Preparation Program work with this organization to provide support to the athletes. GBCC students volunteer at practices and help implement the regional basketball tournament for Special Olympics New Hampshire. This organization is responsible for these opportunities. Representatives also visit GBCC to meet with the students and help them grow as future educators.

Campus Compact *for New Hampshire*
