Presidents' Good Steward Award

Ellen Ostreicher

Medical Director/ARN

Franklin Pierce University

Ellen has worked in the Franklin Pierce Health Center since 2000 as a Medical Director/ARN, where she meets with students to ensure their good health and well-being. Outside of work, Ellen is committed to her community and helping others is her top priority. Ellen is a long time volunteer of the Rindge Food Pantry and has served as volunteer Director for 11 years. The Pantry provides weekly food boxes to 250 families and individuals as well as emergency assistance. Because of Ellen's influence, Franklin Pierce University Student Government and other groups on campus organize regular food drives in support of the organization. She is also an active member of the VFW Women's Auxiliary in the Jaffrey Rindge Community. Franklin Pierce University is honored to award Ellen Ostreicher with the Presidents' "Good Steward Award."
