Presidents' Leadership Award

Kimberly Willett
Rivier University

Kimberly has been involved in service throughout her college & high school academic careers. She has been serving others both globally & domestically, for example, sharing her time & talents in the Dominican Republic 5 times during college breaks and domestically at Loaves and Fishes Soup Kitchen, Suffield Manor Nursing Home, Nursing Students without Borders, and ran the NYC Marathon as a member of Team "Hole in the Wall Gang".

Not only is Kimberly a servant leader in the community, she too is a role model on campus demonstrated by her "love of nursing and learning" as an "attentive and engaged" student. "She has good interpersonal skills and works well with her peers". Kimberly should be commended for her selfless acts of service, and commitment to being a model Rivier student.
