

PRESIDENTS' LEADERSHIP AWARD

Anes Dulas *MCPHS University*

In the time that Anes Dulas has been enrolled at MCPHS, he has made outstanding contributions to community service on and off campus. Mr. Dulas served as SGA President and enthusiastically encouraged student organizations to provide community service over and beyond what is minimally required. He is a volunteer teacher at a local middle school, and assists MCPHS with all open house events. Anes is involved in numerous professional organizations (APhA, Rho Chi and PKP National Honor Society). He empowers others, is always available to assist where needed, is an outstanding role model, and consistently demonstrates a commitment to helping others. For these reasons, Anes Dulas is very deserving of this award.
