

PRESIDENTS' LEADERSHIP AWARD

Ben Drye

River Valley Community College

Ben is our go-to student! He excels in his coursework as a dual major in Business Management and Accounting. Despite his course demands and job, Ben also fits service to our community into his schedule. He has participated in book drives, wheelchair ramp building projects and collected food for our pantry on campus. Ben is President of our Phi Theta Kappa Honor Society, our Student Government Association and heads up the Business Club on campus. He has attended several leadership conferences and brought back what he has learned to his fellow students. Ben leads by example, encouraging others to do their best whether it is inside or outside of the classroom.
