

# PRESIDENTS' LEADERSHIP AWARD

## *Rebecca Abbott White Mountains Community College*

Rebecca Abbott is a student enrolled in the WMCC Advanced Welding Certificate Program and Interdisciplinary Studies who has earned the respect of peers and faculty alike. She has brought forward numerous ideas of how to help local charities and people when planning the upcoming WMCC Weldathon fundraising event. Her community involvement includes work at a local homeless shelter and work at a children's advocacy center. Rebecca epitomizes the role model student who is dedicated to education, community, and the planning of her future career. Above all else, she constantly exemplifies the qualities of care and concern for everyone she comes in contact with. White Mountains Community College is pleased to present Rebecca with the President's Leadership Award.
