

PRESIDENTS' COMMUNITY PARTNER AWARD

The Crisis Center of Central NH NHTI, Concord's Community College

The Crisis Center of Central NH's (CCCNH) mission is to work towards the end of domestic and sexual violence in Merrimack County through empowerment, education and collaboration. CCCNH and NHTI have developed a collaborative partnership where the community benefits greatly. CCCNH helps ensure that survivors of domestic and sexual violence have access to trauma informed services and support. They support educational efforts on campus and serve as a practicum site for students in the Human Services degree program. Throughout the time that NHTI has maintained a relationship with CCCNH, students have been professionally and compassionately served by timely crisis intervention, advocacy and prevention education. CCCNH is one of the most impactful resources NHTI has utilized in working to maintain an academic community free of domestic and sexual violence. We value our partnership with CCCNH and could not tackle the sexual violence on campus as effectively without them.
