Theresa Williams ***Nashua Community College***

In addition to being a full-time faculty member at Nashua Community College, Professor Theresa, “Terry” Williams has been the advisor of the Nightingale (Nursing) Club at NCC for the past 2 years. As the club advisor, Terry has mentored students in leadership; particularly in relation to the importance of community service. The students appreciate her calm manner, expertise, attention to detail, and organizational skills. Most recently she guided the club members in their efforts to raise money for an organization they chose to support-Bridges, Domestic and Sexual Violence Support Services in Nashua NH.
