

PRESIDENTS' GOOD STEWARD AWARD

Julie Nicknair-Keon *New England College*

Julie Nicknair-Keon's commitment to the New England College and Henniker communities is unparalleled. She tirelessly contributes to the community in general as the lead counselor for the college Wellness Center, and is particularly supportive of the college's veteran population. In an effort to better understand the issues confronting veterans returning from deployment, Julie has pursued additional training, credentialing and expertise so that she could better serve these students. She was also instrumental in obtaining a grant to support New England College's Veterans Resource Center.

Julie is a sought after resource because her compassion and concern reaches far beyond the Wellness Center. As a member of the Henniker community, she is often seen volunteering to assist in a variety of events. She has boundless energy and if she is involved, the activity is sure to be a success.
