

PRESIDENTS' GOOD STEWARD AWARD

Michael O'Bryant *NHTI, Concord's* *Community College*

NHTI recognizes the outstanding contributions of Professor Mike O'Bryant. Professor O'Bryant is the department chair for the Human Services program and serves as the Title IX Coordinator. He is dedicated to supporting students and plays a key role in the efforts of NHTI's College Sexual Assault Policy and Prevention (CSAPP) Task Force. If there is a word to associate with Mike O'Bryant's reputation on the NHTI campus, it would be advocacy. Mike works tirelessly on behalf of students, especially students who are struggling with academics and those enduring challenges associated with lack of privilege and difficult life events. Mike is compassionate and excels at offering care and support. But he also challenges and empowers students by instructing them on methods to solve problems, make decisions and maintain forward progress. In that way, Mike is an advocate. Mike O'Bryant is indeed a Good Steward and so much more.
