

PRESIDENTS' GOOD STEWARD AWARD

Cathy Driesch *River Valley Community College*

Cathy plays such an important role at River Valley Community College. As the Disabilities Coordinator she has opportunities to directly support student learning and success. Cathy supports students in a number of ways outside of her direct job duties. One of those ways is to head up the College's efforts in the New Hampshire College Sexual Assault Policy and Prevention (CSAPPNH) Initiative. Cathy has worked closely with Mary R. Lauby, Project Manager, Prevention Innovations Research Center for Sexual and Relationship Violence and Stalking, to ensure that RVCC has local MOUs in place with law enforcement and that training is ongoing for students, faculty and staff. There is no doubt surrounding the importance of this work and Cathy has devoted time to ensure the College is prepared to support students in need. Congratulations, Cathy! And thank you for your service!
